Subject: RE: Tour of Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Thank you, [REDACTED] With the list of attendees, prior to the tour, I will send you the final list of topics we would like to hear more about. Topics will likely include, the type and the sorting of feedstock (passenger vs. truck tires and their age); processing technologies (ambient, including wet method, vs. cryogenic); pre-processing and post-processing treatments, if any; standards that the materials are processed to, if any; and, storage, packaging and transportation practices.

Looking forward to the tour.

Best,

Ksenija Janjic

Ms. Janjic,

We will be ready to receive you on May 12.

If there is anything in particular that you want to learn, discuss, or have questions about...please do not hesitate to forward that to me prior to your visit.

Our objective is to show you how we recycle scrap tires into higher value end products for both the crumb rubber and rubber mulch markets so your people have a good working understanding of this process.

We look forward to seeing you on May 12.

Best,

[REDACTED]

Hi [REDACTED]

I wanted to confirm that we will be visiting [Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]] on May 12th. I will send you the final list of attendees prior to our visit.

Thank you so much for your responsiveness and accessibility.

Hi []

No problem at all, thank you for getting back to me. We proposed April 29, May 6, 9, 10 and 12 for the visit and at the moment, it looks like May 12. If OK, though, I would prefer not to lock in the date just yet, but would like to have the final confirmation next week.

Thank you and all the best,
Ksenija

Ms. Janjic,

I am sorry for the delay in getting back with you.

To your questions, we can comfortably accommodate up to 10 people on the tour of the facilities.

Ex. 4 CBI

Ex. 4 CBI

These folks design, engineer, and install products from various manufacturers to deliver a complete playground system to their customers.

Ex. 4 CBI

Do you have any tentative dates for your visit set up yet?

Best,

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Hi [redacted]

A couple of more question, for our planning purposes and to be respectful of your space limitations, I wanted to check with you how many people you would be able/willing to accommodate for the tour? Also, I was wondering if your facilities sell the crumb rubber to playground manufacturers? Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Thank you so much and all the best,
Ksenija

I would budget 2.5 hours for the complete tour.

Afternoons are fine with us.

Best,

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

<Janjic.Ksenija@epa.gov> wrote:

Ok, thank you. The only other thing is how much time we should be planning for. For example, do you think that 2 hours would be enough considering the travel between the facilities, or would 2.5 hours be more appropriate? Also, are afternoons or mornings better for you? We were thinking about early afternoon, such as 1 to 3 or 3:30pm, [REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

However, does that work well for you and capture the timing of the full recycling operation?

Best,
Ksenija

Ksenija,

If you want to see the entire process from receiving the whole scrap tire to grinding it down into crumb rubber for sports fields and asphalt modifier, you will need to [REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

[REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Plant. They are approximately 20 minutes away from each other.

The process works as follows: whole tires are delivered [REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]
[REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))] where they are processed into nominal 4" pieces. These pieces are then delivered to [REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]
and reduced into rubber mulch. The tailings from that process are used to make the various sizes of crumb rubber.

If you have any other questions, please do not hesitate to contact us.

Best Regards,

[REDACTED] Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]
